COMPANY AGREE TO THE FOLLOWING**

DRAYAGE/FREIGHT RATES APPLY to each pound with a minimum (see front for actual minimum) and are based on the actual or estimated INBOUND weight. No allowance will be made for during the event. Each shipment is considered separately. NO cumulative weights will be allowed on minimums, split shipments, etc.

SHIPMENTS OF EQUIPMENT REQUIRING SPECIAL HANDLING at the facilities will be subject to a surcharge as indicated on the freight rate schedule. This classification shall be applied to, but not limited to, van shipments or shipments which are packed in such a manner as to require unloading by hand (e.g., loose display parts, uncrated equipment, etc.) Material will be unloaded from vans, exhibitor's truck, or trucks of others at the facility, delivered to the Exhibitor's booth, picked up at the close of the show, moved to the loading area and reloaded. The Exhibitor must provide written and accurate weight information on each shipment. Shipments received without Certified Weight Tickets or Bills of Lading, such as UPS or U.S. Mail, will be delivered to the booth without guarantee of piece count or condition. No liability will be assumed for such shipments.

SPECIAL SERVICES AND RATES - Steel banding for the packing of displays and equipment is available at the AEX Convention Services service desk for \$2.00 per linear ft. plus labor at prevailing rates. Forklifts and drivers are available for spotting equipment in the booth at prevailing rates for equipment and labor. Shrink-Wrap is available at a flat rate of \$45.00 per 4'x4'x4' pallet, thereafter pro-rata.

EMPTY CONTAINER STORAGE - Properly labeled empty containers of freight handled by AEX Convention Services will be removed and returned to the booth; "empty" labels will be available at the service desk. Affixing labels is the sole responsibility of the Exhibitor or representative who must remove or obliterate all old labels. AEX Convention Services assumes no responsibility for removal of containers with old empty storage labels or without AEX Convention Services labels, improper information on empty labels or valuables stored in containers with empty labels. Handling of empty containers of freight not brought in by AEX Convention Services will be charged \$15.00 per box or crate each way.

OUTBOUND SHIPPING INSTRUCTIONS should be given to AEX Convention Services during the event or immediately after its close. All bills of lading and shipping instructions covering outbound shipments will be checked at the time of actual loading and corrections made where discrepancies exist. Freight remaining on the exhibit floor without proper instructions for disposition will be removed by AEX Convention Services and shipped with the information available at the time using a carrier of AEX Convention Service's choice or brought to AEX's warehouse storage and handling will be charged. AEX Convention Services will not be liable for shipping errors subsequent to the event unless it has agreed to specific written instructions has failed to honor them. The condition, count, and contents of the materials found in the booth at the time of actual removal will be final and binding and the right is reserved to alter exhibitor's bill of lading to reflect actual condition, count, and content found.

LIMITATIONS OF LIABILITY - AEX Convention Services IS NOT responsible for damage to materials improperly packed, concealed damage, loss or theft of Exhibitors' material after same has been delivered to your booth, or before materials have been picked up for loading out of the booth. AEX Convention Services makes no warranties or claims except as may be set forth in these terms and conditions. No oral modifications may be made to these terms. Regardless of your claim, AEX Convention Service's liability with respect to your freight or any damage whatsoever, is limited to \$.10 per pound/per article, with a maximum of \$50.00 per item, and a maximum of \$1,000.00 per shipment, even in the event of AEX Convention Service's negligence. AEX's liability for any damages whatsoever when you hire us for supervised installation/dismantle is limited to the actual cost for supervision.

EXHIBIT LOSS OR DISAPPEARANCE - AEX Convention Services and its subcontractors ARE NOT responsible for loss or disappearance of Exhibitor's material after such material has been delivered to the Exhibitor's booth. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the applicable booth by AEX Convention Services or its subcontractors, and the arrival of Exhibitor's representative at the booth. During such time the shipment(s) will be left unattended in the booth. AEX Convention Services or its subcontractors shall not be responsible for any loss or damage that may occur during such a period.

Similarly, AEX Convention Services and its subcontractors ARE NOT responsible for loss or disappearance of Exhibitor's material before Exhibitor's material is picked up from the Exhibitor's booth for loading after the exhibition. All bills-of-lading covering outgoing shipment that are given to AEX Convention Services by the Exhibitor will be checked at the time of pick-up from the booth, and corrections will be made at such time if discrepancies exist. Relative to outgoing shipments, it is possible that there will be a lapse of time between the completion of the packing and the pick up material from the booths for loading onto a damage that may occur during such period. AEX Convention Services and its subcontractors are not responsible for any loss or damage that may occur during such period. AEX Convention Services and its subcontractors will adjust the quantities of items on any bill-of-lading submitted to AEX Convention Services or its subcontractors to conform to the actual count of such items in the booth at the time of pick-up and shipment.

DISPUTES - In the event of any dispute between an Exhibitor and AEX Convention Services relative to any loss or damage to such Exhibitor's material, such Exhibitor shall not be entitled to and shall not withhold payment of any amount due to AEX Convention Services for services or rentals provided as any offset against the amount of any alleged loss or damage. No claims for loss or damage will be considered until payment in full for all services performed by AEX Convention Services has been received.
